## **E100 Readings**

Dear Friend & Colleague,

Over the next calendar year St John's Methodist Church has decided to follow the set of readings known as E100, a set of 100 readings engaging with the Bible from Genesis to Revelation over 12 months. This is by way of continuing to mark the 400<sup>th</sup> anniversary this year of the publication of the King James Version of the Bible.

Central Hall and Cornerstone followed this pattern over the last 12 months and have gained much spiritual nourishment from it and we hope the same is true for St John's.

To make this work properly we need the support and co-operation of those of you who will come to preach over the 12 months from January. When each new plan is published someone from St John's will write to you and enclose the leaflet outlining the E100 readings and ask you to select your text and plan your worship from there.

While we won't insist that you follow this (and there may be some occasions i.e. Lent and Advent when it is inappropriate to do so) it would aid continuity greatly if you were able to engage with this set of readings.

If you have any questions, either at this stage, or when you are contacted during the year, please do not hesitate to contact me.

Thank you in anticipation of your co-operation,

Every blessing,

*Ian*
